crescent project

HOPE WORTH SHARING

Details

Phil Nelson
Crescent
Project

M:28 is a biblical, relevant, and reproducible strategy designed to identify international students who are spiritual seekers, guide them to truth discovery, lead them to Christ, and equip them to be disciple-makers in their spheres of impact.

In the M:28 process, students experience authentic biblical community and are imprinted from the very first day with the DNA of spiritual multiplication.

Dr. Douglas Shaw

President/CEO

International Students, Inc.

Where

The Cordova Theater
135 N. Grand Ave. Pullman, WA
